## Welcome Message

Gargi PaperKraft is a vertically integrated paper bag manufacturing enterprise headquartered in Lucknow.

Equipped with semi-automatic and fully automatic square-bottom production lines, inline printing systems, and a 200 MT monthly capacity, we deliver scalable, precision-driven packaging solutions.

Our advanced infrastructure enables customization, consistent quality, and reliable high-volume output for domestic and international markets.

## About Us

At Gargi PaperKraft, we see packaging as a responsibility, not just a product. Since 2017, we have been committed to delivering sustainable alternatives to plastic with uncompromised quality and reliability.

Built on Enterprise, Integrity, and Innovation, we focus on continuous improvement, customer satisfaction, and long-term partnerships — contributing meaningfully to a greener, more sustainable future.

## OUR PRODUCT RANGE

Gargi PaperKraft offers precision-engineered paper packaging solutions designed for retail, grocery, food, and industrial sectors.

**Flat Bottom Bags** – Premium, self-standing bags ideal for retail and food packaging.

**Square Bottom Bags** – High-volume grocery-style bags for bulk and structured packing.

**V Bottom Bags** – Compact and economical bags for pharmacies, bakeries, and lightweight retail.

**Custom Solutions** – Tailor-made dimensions, advanced printing, and specialized packaging options.

**Clients:** Swiggy Instamart, Indian Railway, The Band Box, Rocket Dry cleaners etc

## Why Choose Gargi PaperKraft?

**Eco-Friendly Solutions:** We prioritize the environment, offering sustainable alternatives to traditional packaging.

**Customization Options:** Our flexible production process allows us to meet the unique needs of each client.

**Quality Assurance:** We maintain the highest standards of quality, ensuring that our products are durable and reliable.

**Timely Delivery:** We understand the importance of deadlines and ensure that our products are delivered on time, every time.

## Our Production Capacity: 200 MT per Month
